

# Frozen Food Plant

## PROJECT OVERVIEW

---

### LOCATION

Oakland, MS

### TOTAL INSTALLED COST

\$20 Million

## TEAM

---

### PROGRAM MANAGER

Larry Persinger

### PROJECT COORDINATION

Lynn Persinger

## PROJECT DETAILS

IPC's team provided Construction Management services for the conversion of an existing meat packing facility into a frozen food production facility for Windsor Fine Foods. We created the budget for the conversion and provided the procurement of materials and labor. We also provided on site supervision and coordination of the subcontractors.

### Services Provided

- Program Management
- Project Development / Design Development
- Cost Control
- Budgeting, Estimating, Scheduling
- On-Site Construction Management
